The citation:

DeCanio, S. J., de Lavergne, C., & Palter, E. D. (2003). *Economic models of climate change*. New York: Palgrave MacMillan.

mistakenly included the second and third names. The correct citation is:

DeCanio, S. J. (2003). *Economic models of climate change*. New York: Palgrave MacMillan.

Consequently, the two references to this book on page 90 of the paper should be DeCanio (2003).
